

Invites you to the November 2010 Programme in its auditorium

76, Eldams Road, Teynampet, Chennai 600 018. Tel: 2432 8124 / 8125 / 8126.

In honour of the coming 61st Vardhanti celebrations of His Holiness Sri Bharati Tirtha Mahaswamiji of Sri Sharada Peetham, Sringeri, the following programme has been arranged:

Lectures and Issai Mazhalai:

Nov. 11, Thursday, 6.00 pm

In addition to devotional music and bhajans, **Tattvāloka** is pleased to introduce a holistic programme, throwing light on relief and cure in alternate therapy to radical and incurable ailments concerning brain functions and micro cellular improvement.

This has provided unexpected and essential cures in many cases in which a team of international experts and surgeons are concentrating their energies.

In this holistic approach, **Tattvāloka** will present on Nov. 11 the programme by two experts whose focus will be on **Brain Function Training (BFT)**. Please come to listen to the extraordinary findings of these two neuro specialists.

Talk by: **N.S. Srinivasan**, Chief Mentor, Medha Mind Enhancement Company (Neuro Feedback Research in India) and Secretary, Society for the Advancement of Brain Analysis (SABA)*, India--**Neuro Plasticity of BFT and Training Modalities**.

Dr. A.V. Srinivasan, well renowned neurologist and President, SABA (India)--**Neurologist Perspective with special emphasis on Drug Refractory Epilepsy, Stroke and Parkinson's Disease**.

* SABA (Original Chapter located at Beverley Hills, LA, CA, USA)
